Novair 1000

Special Available Features

for all sizes and models, hour meters, filter auto cut-off, audible/visual alarm, international plug configurations and customizable colors.

Benefits

- Smooth, consistent air flow
- Extended filter life, due to motor pulling more particulates deep into the filter
- Perfect for tighter areas.
- Replacement filters are readily available
- Available with HEPA, ULPA or nuisance dust filters
- Dent proof, leak proof, polyethylene, lightweight and virtually indestructible
- Easy to decontaminate and clean
