Duct-2-Go
Ultimate Portability

Heavy Duty Vinyl Ducting with an integrated carrying case for ease of transport and storage. The perfect accessory for our Novair line of products.

Features

- 10” and 12” diameters available
- 25’ and 50’ lengths available
- Heavy duty vinyl casing
- Integrated carrying handle
- Safety orange color
- Integrated fastening straps

Benefits

- Different diameters and lengths for a wide range of applications
- Heavy vinyl material resists rips and tears for long life
- Easily transported with integrated handles
- Packs up or retracts in seconds
- Safety orange for shipyard and Naval applications
- Easy to store in tight space due to attached storage bag
